DID YOU KNOW?

1924: However, even the 1922 logo was seen as informal by many, as it had been merely adapted from the Birmingham logo. At Civitan's fourth International Convention, incoming International President Stockton Broome was instructed to form a committee to design a "proper emblem." The emblem was designed by committee member and Jacksonville, FL Civitan Frank Gammon. The logo, unveiled in the December 1924 issue of Civitan Magazine, featured a prominent "C" in the center, bounded above by "International." The emblem was surrounded by 12 points representing the twelve tenets of the Civitan creed.

Tryon Christmas Party

This year we are doing something a little different for our Celebration. We will be having a cocktail party upstairs at Captain Ratty's. There will be heavy appetizers rather than a sit down meal. We want to mingle with our members and get to know them better. The fee for the party is \$17 payable that night at check in. We do need to give Tom a head count so they can prepare enough food, so, if you would kindly RSVP to Stephanie Crosby before December 1st with a yes or no it would be much appreciated!
