DID YOU KNOW?

1992: By the 1990s, there were also concerns that the "heart" logo was itself becoming outdated, as the 1980's passed into history. After a great deal of discussion, the International Board voted to return to a more traditional look with the official Civitan logo. This was based on the long-standing logo of 1924, and incorporated a grid-style globe at the center, to represent Civitan's international focus. The twelve bands around the border also returned, to represent the twelve points of the Civitan creed (which had itself changed in the intervening years).

Social Time at Beary The Hatchet

What an adventure we all had! I for one was very surprised the day after throwing axes that I was not sore in the least! Thankfully!! We had such a good time. By the end of the evening I think everyone had thrown a bullseye and was able to ring the bell. We will do this again was the consensus from all that attended. I hope you can join us then! Thank you Mack Paul for putting this together for us!

Students Participate in MLK Day of Service

Craven Community College Student Government Association members joined with Craven Early College Junior Civitans for the annual Dr. Martin Luther King Day of Service January 21.

Under the guidance of SGA advisor Emily Stewart and Junior Civitan advisor Amanda Smith, fifteen students worked at the Coastal Women's Shelter Safe House during the holiday, adding a fresh coat of paint to a bedroom and hallway and creating a bright mural in the shelter's playroom. CWS clients expressed gratitude to and admiration for the teens for this collaborative service project.
